Spring 2025

# Joseph<sup>®</sup> Joseph

Welcome to our Spring 2025 collection.

At Joseph Joseph, innovation drives everything we do. Every product begins with a challenge, and through thoughtful design, we aim to create solutions that elevate everyday living. This season is no exception, as we introduce exciting new ranges that showcase both cutting-edge design and our commitment to sustainability.

Our new CleanTech™ and SinkTech™ ranges bring innovation to the forefront of cleaning and washing up, with performance-driven designs that work harder so you don't have to. From grout brushes to glass cleaners, each tool in the CleanTech™ range features multiple functions that make even the toughest tasks easy, transforming your home into a space that's not just cleaner, but also smarter.

We're also thrilled to introduce GrillOut™, our premium range of BBQ tools designed for outdoor cooking enthusiasts. Whether you're basting, flipping, or serving, GrillOut™'s durable stainless-steel construction, clever retractable heads for compact storage, and easy-clean functionality, elevates your grilling experience with practicality and style.

Expanding our commitment to timeless design, our new Space Steel range brings the added durability and timeless aesthetic of stainless steel to your favourite space-saving cookware. With its robust and long-lasting properties, this premium finish complements our existing range while offering even greater resilience for everyday use. Meanwhile, Tota Luxe reinvents laundry with the space, elegance, and practicality you need to transform an everyday chore into an effortless and luxurious experience.

At the heart of our process is a commitment to Responsible Design. From using sustainable materials to developing products with built-in longevity, we're striving to make every item as kind to the planet as it is to your home. From kitchen essentials to home organisation heroes, every item in this season's collection has been designed with your lifestyle in mind, and we hope this collection inspires you to embrace beautiful, functional design in every corner of your home.

We've loved creating it; now we hope you enjoy it.

*Antony & Richard Joseph*
