REVOLUTIONARY  
KITCHENWARE.  
REIMAGINED.

THE MAKER'S COLLECTION

JOSEPH  
JOSEPH

# THE ART OF INNOV- ATION

From distinctive design to faultless functionality, each Joseph Joseph product is created to streamline an everyday household task. The Maker's Collection is no different, reimagining some of our most iconic kitchenware in elevated materials and finishes.

Striking the perfect balance between luxury and innovation, the Maker's Collection utilises brushed

stainless steel, solid oak and burnished bamboo across popular kitchen tools and gadgets, all beautifully finished with engraving, embossing and etching of the Joseph Joseph brand logo.

Designed to stand the test of time, the Maker's Collection represents the very best in what we do, elevating the look and feel of essential kitchen items.

## DESIGN ORIGINS

Twin brothers Antony and Richard Joseph grew up with manufacturing in their blood, spending time in the family glass-making business. The company mainly produced decorative glass

chopping boards illustrated with rustic scenes, but when tastes changed and demand began to wane it was clear a fresh approach was needed.

Having both trained in product design, the brothers were

embarking on their early careers when their father asked them to look at reinventing the glass chopping board range. They jumped at the chance.

After early success with their creative, colourful designs, their

entrepreneurial spirit kicked in and in 2003 they decided to go it alone - and with that the Joseph Joseph brand was born.

Their big leap forward, though, came from a simple observation - many everyday objects can actually

create problems for the user through poor design.

In addition, many tasks around the home could be made much easier and more enjoyable with a little intelligent thinking.

From this light-bulb moment Antony and Richard knew they'd found a way to differentiate Joseph Joseph from other brands. And it set them on a path that was to create some truly iconic kitchenware.

## DESIGN HERITAGE

Joseph Joseph continues the tradition of world-class British design with its innovative, contemporary kitchenware.

The company takes pride in the fact that everything is designed by some of the finest talent the UK has to offer. Ideas are generated through an award-winning team of in-house designers or by collaborating with renowned UK design studios.

The design process always starts by identifying an everyday problem and ends with finding an original solution that is a joy to use and have in your home.

# MAKE A STATEMENT IN STAINLESS STEEL

# ALL YOUR CHOPPING, BEAUTIFULLY ORGANISED

*Below:* Chopping boards with non-slip feet.  
*Below right:* Case holds boards separately,  
 allowing air to circulate. *Bottom:* Colour-coded  
 chopping boards.

## FOLIO™ STEEL

SET OF 4 COLOUR-CODED CHOPPING BOARDS WITH STORAGE CASE

*Design registered*

This stunning design features a slimline case that keeps four large chopping boards beautifully organised and makes a real statement on the worktop. Each colour-coded board has a knife-friendly, textured cutting surface on both sides and non-slip feet. They can be easily removed from the case due to the smart angled design and stainless-steel selecting

bars. The case holds each board neatly apart, allowing air to circulate, and features non-slip feet on the base. Available in a range of finishes, with a fingerprint-proof, stainless-steel case for easy cleaning.

Boards - Dishwasher safe.  
 Case - Wipe clean with a soft, damp cloth.

**Top:** Index-style tabs on each board indicating its specific function. **Above:** Metal base holds each individual board securely and has non-slip feet. **Right:** Tough bamboo surface resists marking and is more hygienic than wood.

## EACH BOARD IS MADE FROM TOUGH, NATURAL BAMBOO

### INDEX™ BAMBOO

SET OF 3 FOOD-SPECIFIC CHOPPING BOARDS WITH STORAGE STAND

*Design by Damian Evans  
Design registered*

Designed to reduce cross-contamination of different food types, Index™ Bamboo comprises three food-specific chopping boards with a sturdy metal storage stand. Each board is made from tough, natural bamboo and features an index-style tab indicating which food type it should be used for - raw

meat, cooked food or vegetables. Each board slots securely onto the metal stand which also features non-slip feet.

Boards - wash by hand and wipe dry (do not soak). Storage stand - wipe clean with a damp cloth.

*Below: Rotating carousel.*

*Below right: Set comprises: Skimmer, Ladle, Slotted Turner, Solid Spoon, Spaghetti Server, Slotted Spoon, Carousel.*

## ELEVATE™ UTENSILS ARE DESIGNED TO IMPROVE HYGIENE AND REDUCE MESS

### ELEVATE™ STEEL CAROUSEL

6-PIECE STAINLESS-  
STEEL KITCHEN  
TOOL SET WITH  
INTEGRATED  
TOOL RESTS

*Concept by Gillian Westley  
Design by Derek Roberts  
Design registered*

The Elevate™ range has been specifically designed to improve hygiene and minimise the mess made by placing utensils onto kitchen surfaces during use. Each utensil has an innovative, weighted handle with an integrated tool rest, ensuring that when an

Elevate™ product is placed down, its head or blade is raised from the work surface.

The utensils feature high-quality 18/8 stainless-steel tool heads and ergonomic, heat-resistant silicone handles, all finished with polished

stainless-steel ends. The set comprises six essential kitchen tools and a rotating storage stand with a non-slip base.

Tools - dishwasher safe. Carousel - wipe clean with a damp cloth.

## NEST™ UTENSILS STEEL

### 5-PIECE COMPACT KITCHEN TOOL SET

*Design by Studio17 Design  
Design registered*

Nest™ is the ultimate collection of space-saving kitchenware comprising a unique range of preparation, storage and cooking sets. The innovative designs allow the individual elements within each set to be stacked neatly together, thereby occupying the absolute minimum amount of space when stored.

Nest™ Utensils Steel comprises five essential kitchen tools plus a stainless-steel storage stand with a non-slip base. Made from heat-resistant nylon, the handle tips are also beautifully finished in high-quality 18/8 stainless steel. When nested together, each tool

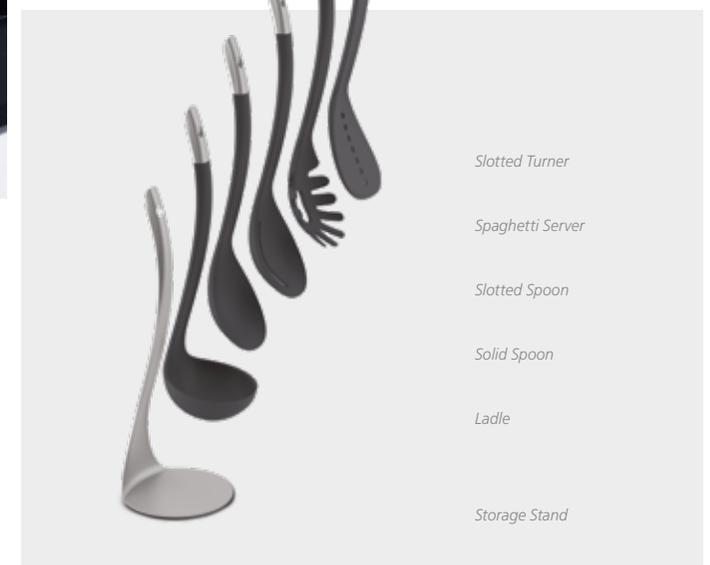

is held securely in place by small magnets in the handles making them extremely compact.

This unique design eliminates the need for an additional utensil pot and streamlines your kitchen tools into

one indispensable set. All utensils are heat-resistant up to 200°C/392F.

Tools - dishwasher safe.

A COLLECTION OF

BLEND OF PREMIUM  
MATERIALS

## COUNTERSTORE™ STEEL

STAINLESS-STEEL  
KITCHEN ORGANISER  
WITH OAK  
CHOPPING BOARD

*Design by Studio17  
Design registered*

With limited space in many kitchens, this compact worktop organiser allows you to store knives, gadgets and utensils in one convenient place. The design features separate compartments for each tool type and includes a central knife store with non-scratch slots that grip blades safely and securely. It also comes with its own non-slip, oak chopping board that stores neatly at the back.

Storage unit - wipe clean with a damp cloth. Chopping board - wash by hand and wipe dry (do not soak). Knife store suitable for blades up to 8 inches (20 cm) long.

**THE ULTIMATE  
SPACE-SAVING  
KITCHENWARE**

## NEST™ 9 STEEL

### 9-PIECE FOOD PREPARATION SET

Design by Morph  
Design registered

Nest™ is the ultimate collection of space-saving kitchenware comprising a unique range of preparation, storage and cooking sets. The innovative designs allow the individual elements within each set to be stacked neatly together, thereby occupying the absolute minimum amount of space when stored.

Nest™ Steel is the pinnacle of the range - a stunning 9-piece food preparation set that's packed with features and looks just as good on the worktop as it does in the cupboard.

Nest™ Steel includes two sizes of stainless-steel mixing bowl, both with

non-slip bases; a fine stainless-steel sieve; a large stainless-steel colander; and a set of five measuring cups ranging in size from 1 teaspoon or 1/6 cup (5 ml) up to 1 cup (250 ml).

In keeping with the high specifications of the Signature Collection, the mixing bowls, sieve and colander are all made

from high quality 18/8 stainless steel, providing exceptional durability.

All pieces - dishwasher safe.

**THIS INNOVATIVE DESIGN ALLOWS EACH ELEMENT TO BE STACKED NEATLY TOGETHER**

1/6 Cup (5 ml/15 ml)  
1/4 Cup (60 ml)  
1/3 Cup (85 ml)

1/2 Cup (125 ml)

1 Cup (250 ml)

Small non-slip mixing bowl 0.5 L

Sieve 1.65 L

Colander 3L

Large non-slip mixing bowl 4.5 L

# THIS BOWL SET FEATURES EASY-FIND LIDS THAT SNAP TOGETHER

## **NEST™ PREP&STORE STEEL**

4 - PIECE  
STAINLESS-STEEL  
BOWL SET WITH LIDS

*Design registered*

Nest™ is the ultimate collection of space-saving kitchenware comprising a unique range of preparation, storage and cooking sets. The innovative designs allow the individual elements within each set to be stacked neatly together, thereby

occupying the absolute minimum amount of space when stored.

This versatile bowl set not only looks great but is ideal for a range of food preparation and storage tasks. Each bowl is made from high-quality 18/8

stainless steel and features easy-find, snap-together lids and non-slip bases.

All pieces - dishwasher safe (lids - top rack only).

ICE-HARDENED  
GERMAN  
STAINLESS-STEEL  
BLADES

*From left to right: 5" Utility knife, 8" Chef's knife, 8" Carving knife, 8" Bread knife, 7" Santoku knife, 3.5" Paring knife.*

**ELEVATE™  
KNIVES STEEL  
CAROUSEL**

**6 - PIECE ROTATING  
KNIFE BLOCK SET**

*Concept by Gillian Westley  
Design by Derek Roberts  
Design registered*

The Elevate™ range has been specifically designed to improve hygiene and minimise the mess made by placing utensils and knives onto kitchen surfaces during use. Each utensil has an innovative weighted handle with an integrated tool rest, ensuring that when an Elevate™ product is placed down, its head or blade is always raised from the work surface.

The Elevate™ Knives Steel Carousel Set brings new levels of quality and refinement to the range. The blades are made from ice-hardened, German X50CrMoV15 stainless steel, strengthened with vanadium for extra durability. They have hand-finished, taper-ground edges, producing a wedge-shaped profile that cuts more effectively and stays sharper for

**Below:** Weighted handles and integrated knife rests prevent blades from touching the work surface when placed down.

**Right:** Rotating knife block has non-slip base and universal, magnetic knife slots.

**A NON-SLIP BASE AND

KNIVES SECURELY IN  
PLACE WHEN STORED**

longer. Their ergonomic, soft-grip handles provide added comfort and grip - even when wet - and they have discreet colour-coded dots on their handles that aid knife selection when stored in the carousel.

The rotating knife block is clad in brushed, 18/8 stainless steel, has a non-slip base and magnetic knife slots

that hold the knives securely in place when stored. This innovative design means that any Elevate™ Steel knife can be stored in any slot, regardless of its blade length.

Knives - hand wash only and dry immediately. Carousel - wipe clean with a damp cloth.

# THE SLIMLINE BAMBOO BLOCK TAKES UP MINIMAL SPACE ON THE WORKTOP

## ELEVATE™ KNIVES BAMBOO

5-PIECE KNIFE SET  
WITH SLIMLINE  
BAMBOO BLOCK

*Design registered*

The Elevate™ range of kitchen tools has been specifically designed to improve hygiene and minimise the mess made by placing utensils and knives onto kitchen surfaces during use. Each tool has an innovative, weighted handle with an integrated

blade is always raised off the work surface, when placed down. This 5-piece set includes a range of essential kitchen knives, each with a Japanese stainless-steel blade. The slimline bamboo block takes up much less room on the worktop than a conventional knife block and features

universal magnetic knife slots that hold the knives securely in place. It also includes non-slip feet on the base.

Knives - wash and dry by hand.  
Block - wipe clean with damp cloth.

**NEXT-  
LEVEL  
FOOD  
STORAGE**

## PODIUM™ STEEL

5-PIECE GLASS  
STORAGE SET WITH  
EASY-ACCESS STAND

*Design registered*

Stackable storage jars can be a hassle, especially if the one you need is at the bottom of the pile. However, this smart storage container set features a clever stand that allows easy access to any jar, regardless of its position. Made from tough, borosilicate glass, each container features a stainless-steel lid with an airtight silicone seal and a round profile that makes pouring easy. The stand has an unobtrusive design that supports each container securely and non-slip feet on its base.

For storing dry foods only.  
Containers - dishwasher safe;  
lids - hand wash only; Stand - wipe  
clean with a damp cloth.

A CLEVER  
STORAGE STAND  
ALLOWS FOR  
EASY ACCESS  
TO ANY JAR

**Above:** Clever stand allows any container to be accessed easily. **Left:** Lids with airtight silicone seals and stainless-steel finish.

MESS-FREE  
INNOVATION FOR  
EVERY KITCHEN  
TABLE

EXCESS  
GROUNDS  
FALL BACK  
INSIDE  
THE UNIT  
AFTER USE

### MILLTOP™

NON-SPILL  
SALT & PEPPER MILL SET

*Design registered*

Conventional salt & pepper mills often create mess by leaving excess grounds on surfaces when placed down. The simple, elegant design of Milltop™ avoids this problem as the grinding mechanism is at the top of the mill, which means excess grounds fall back inside the unit after use. The innovative design also does

away with a long central spindle for the grinding mechanism, which increases its capacity and makes it much easier to fill. To use, simply invert the mill and twist the base to grind. To adjust the grinding size, simply rotate the stainless-steel top.

Wipe clean with a damp cloth.

*Right: Simply twist base to grind.  
Above from top: Adjust grinding size by twisting stainless-steel top.  
Easy to refill - simply unscrew base.*

## BARWISE™

### COMPACT LEVER CORKSCREW

*Design by Chambers Design Studio  
Design registered*

Conventional lever corkscrews are notoriously large and cumbersome to use and store. The BarWise™ compact lever corkscrew, however, packs all the power of a full-sized lever corkscrew in a clever, folding design. It's easy to use, removing corks with a simple lever action, and features twin integrated foil cutters and a non-stick screw thread which glides smoothly into any cork. After use, the lever can be neatly folded away to allow for easy, compact storage.

Wipe clean with a damp cloth.  
Full usage instructions and a spare  
screw thread included.

*Unique folding design*

PACKS ALL  
THE POWER  
OF A FULL-  
SIZED LEVER  
CORKSCREW  
IN A CLEVER,  
FOLDING DESIGN

*Left: Unique folding design offers compact storage. Above: Integrated foil cutters. Right: Powerful lever design removes corks easily.*

**UNO™**

**SALAD BOWL AND  
SERVERS**

*Design registered*

Conventional salad servers are often stored separately to the bowl and inevitably take up precious drawer space. In this smart set, however, the servers conveniently store on the edge of the bowl, freeing-up drawer space and eliminating the need to hunt around for them when required. The large-sized bowl is perfect for serving all types of cold salads, hot rice, pasta dishes and even desserts. The servers themselves are made from durable 18/8 stainless steel, making the set a stylish centrepiece for any dining table.

Dishwasher safe.

**A STYLISH  
CENTREPIECE  
FOR ANY  
DINING TABLE**

# THE SLEEK SINK SOLUTION

*Clockwise from top: Draining spout with three different positions. Non-scratch draining prongs and chopping board rail. Extends to hold more items when needed. Movable cutlery drainer with knife slot.*

EASILY ADJUST  
THE SIZE OF  
YOUR DRAINING  
SPACE WHEN  
YOU NEED  
MORE ROOM

**EXTEND™ STEEL**

EXPANDABLE DISH  
RACK WITH  
DRAINING SPOUT

*Design by Studio17 Design  
Design registered*

This smart dish rack features a 2-part sliding tray that allows you to easily adjust the size of your draining space when you need more room. Its coated steel prongs have non-scratch tips and can hold a variety of washing-up, whilst ribs on the

base help channel excess water away preventing any from being trapped inside upturned cups or glasses. The movable cutlery drainer also features slots for sharp knives and a sturdy rail at the back helps support chopping boards or larger items.

Finally the spout in the base allows water to drain directly into the sink and can be set in three different positions, depending on your sink space.

Wash and dry by hand.
